

PRIVATE EVENTS:  
the bar

At **85 main** we have several options to accommodate your special private event. We are happy to work with you to meet your needs.

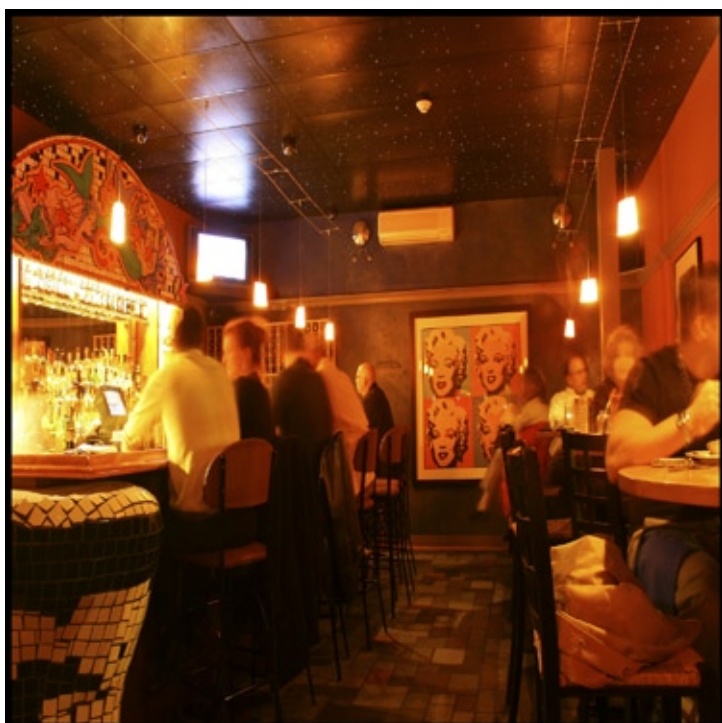

### **Our Bar:**

Our bar has the perfect atmosphere to host a cocktail party coupled with passed or stationary appetizers. It is also the ideal prelude to a seated dinner party in our Private Dining Room.

### **Our Dining Room:**

We are happy to reserve space in our dining room for parties of 12 or under. For larger parties (especially on the weekends) we may recommend that you consider our Private Dining Room due to seating limitations during peak hours. Our upper dining area is also available for dining reservations during non-peak hours. It has approximately a 25 person capacity, and is also an ideal way to extend a cocktail party from the bar.

Currently we do not offer off-site catering.
