special food events

Special Food Events:

We have already hosted several wine tastings and wine/food pairings for small groups courtesy of our phenomenal wine distributor Allan S. Goodman.

Check out our [Current Events](#) on the [News Page](#) of our website for more information on our upcoming plans for Special Food Events. These may include but are not limited to further wine/food pairings, Scotch Tastings, and Eau-De-Vie educational tastings from the exclusive Westford Hill Distillers in Ashford, Connecticut.

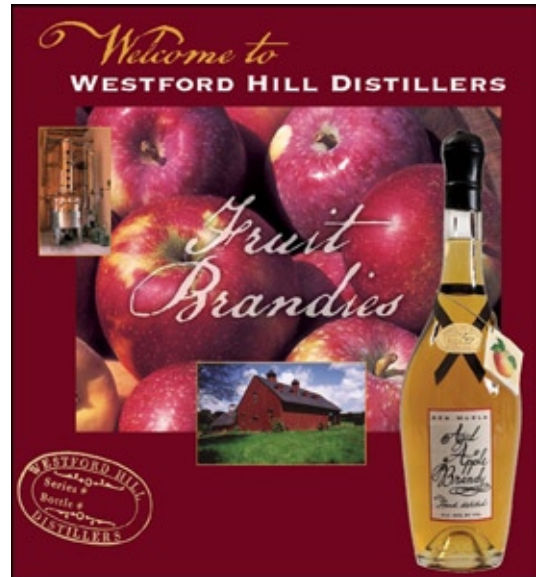

Feel free to contact us for more information as these exciting events unfold!
